2.6 Night Rest

As a kind of respect towards your neighbours, it is forbidden to make loud or excessive noise between 22:00 and 06:00.

Swiss law and BHMS rules are strict. Any student(s) found to be making excessive noise within BHMS premises or in the local area after 22:00 will face disciplinary consequences.

To ensure minimal noise within the premises after 22:00, close any windows in your room, do not sit in groups on the balconies and use headphones when listening to music.

2.7 Check-out

The last day of your room booking is Sunday at the end of your 4th study term.

Please register at the front office when you check out.

The room will be examined at every check-out, and the student will be charged for any damage.

2.8 Student Mail

During your study semester, your official address is at the City Campus. Mail can be collected from the City Campus front office daily. To ensure that your mail is delivered to the correct destination, use the following address:

Your name c/o

BHMS Gütschstrasse 2-6, Room # xx

(# is the room number, xx is the building, refer to chapter 1.3)

CH-6003 Lucerne Switzerland

Registered mail must be collected by the addressed person at the post office using an ID such as a passport or permit. Students on internship must register their new address for mail to be forwarded to them by completing either the “Nachsendeantrag” (Internship) or “Adressänderung” (address change) form at “Die Post”.

BHMS will return all mail to the sender if it is not collected within four weeks or received more than four weeks after students have moved to their internship or left Switzerland.

2.9 Emergencies

In an emergency, call the school’s Duty Manager at **041 248 70 00**. They are available 24 hours a day, including weekends and holidays. The list of emergency numbers is provided on page 4.

Please note that any misuse of the emergency numbers will be charged up to CHF 1’000 and followed up by the disciplinary system.

2.10 Health Insurance and Doctor Visits

All students are legally required to have valid health insurance during their studies, including the internship.

E.U. students may choose to arrange their health insurance coverage, which must be legally recognised in Switzerland (please check with the Front office if you are unsure). A copy of such policy must be submitted to the Front office within the first week of starting a programme.

E.U. BHMS will arrange health insurance competitively with Golden Care for all other students. A health insurance form will be completed during orientation, and your medical policy and insurance card will be issued within the first week after your arrival. Students with Swiss citizenship must arrange for their health insurance. **They will be credited CHF 1’000 from their operation expenses for this exemption.**

BHMS's standard doctor's clinic in Lucerne is the Permanence Medical Centre, located on the lower floor of the Lucerne Main Station. It is open from 07:00 to 23:00 Sundays through Thursdays and 24 hours on Fridays and Saturdays.

If you need to see a doctor, please follow the steps below to ensure a correct process from the beginning of the treatment to the point of payment.

- Take your insurance card and student ID card to the doctor.
- When receiving the invoice from the doctor by mail, forward it to the City Campus Front office immediately.
- Students on internship may need to pay the doctor's invoice, which Golden Care will refund directly. In the case of accidents, please refer to your employer.
- Any claims must be made within 90 days of receiving your invoice.

2.11 Sickness During Class

Everyone gets sick occasionally, and BHMS will do their best to support you during your recovery. If you feel ill and need to miss a class, you should visit a doctor immediately and get a doctor's certificate (sick note). A copy of the certificate should be submitted to the Academic Office, which can excuse any absences from classes.

This certificate will also authorise your roommates to arrange takeaway meals from the restaurant if you have F&B privileges.

Students should contact the programme leader or Academic Office if they are absent due to serious or longer illnesses to discuss the impact on assessments and module completion.

2.12 Personal Property

The school is not responsible for any loss or theft of personal property. It is the responsibility of each student to insure their personal belongings.

Items found on the campuses can be returned to the City Campus Front office, **where they will be kept for 14 days only**. Items lost while on campus should be promptly reported to the front office. Do not leave classroom bags and laptops unattended over lunch/extended breaks.

2.13 Additional Term Accommodation Required

If a student cannot complete the expected modules during a term due to extended illness (two or more weeks) or similar mitigating conditions, they will usually be required to extend their study period by one term. This will have the following consequences:

- No additional tuition charge for modules not able to be completed
- The Migration Office may not approve an extension of your permit; therefore, your internship may be reduced to fit into your original 12-month study plan.
- An additional charge for accommodation and meals (where applicable) will be invoiced for the term when no study is completed.

2.13.1 Accommodation During Internship

As of 1st of August 2025, BHMS will no longer offer on-campus accommodation to students during their internship period.

2.14 Validity of Residency Permit

The B-Permit is a temporary “residency” permit for Switzerland. It is valid for one year while studying at BHMS. The B-Permit allows for six months of study followed by a six-month internship in Switzerland.

If the educational goal has been achieved, students are expected to leave Switzerland immediately. Swiss law requires BHMS to control and ensure that all migration policies are adhered to and implemented.

Should the Migration Office notice that the policies are not being complied with and that students are not departing Switzerland as expected, penalties will be applied to the school and the student.

The following are some examples to explain the rules:

- Your education with BHMS and the B-Permit expires on **31.08.2024, the last day of the internship**. You must depart Switzerland on **31.08.2024**.
- Your work contract ends on 15.08.2024, and you have completed your education with BHMS. You must depart Switzerland by 15.08.2024, even if your permit is valid until the expiration date on 31.08.2024.
- A study gap must be reported to BHMS along with a motivational letter (logical request), which must be approved in writing.
- Resits can be completed while on an internship in Switzerland. Should this not be feasible, you will still need to

depart Switzerland when the B-permit expires, as resits can be taken abroad.

- If you resign or are terminated from your internship, a new job must be found, starting within two weeks, and if not, you must depart Switzerland immediately and will be deregistered.
- If you have completed your academic studies and have not obtained an internship in Switzerland within 14 business days of term-end, you must depart Switzerland immediately and will be deregistered.
- **A Departure Card is only needed in exceptional cases after a detailed review by the Migration Office. A timely departure is a foreseeable and planned event, so this option should be avoided.**
- You, the student, are also responsible for checking and verifying the validity of your B-Permit. You **MUST** contact BHMS at least one month before the expiry date of your permit to confirm your plans.

Any other extraordinary cases need to be brought to the attention of the Admissions Department of BHMS. Please make an appointment well in advance. Students should not contact the Migration Office Lucerne/Registration Office Lucerne or any other Migration Office in other Cantons, as each has its own rules, and we are guided by the rules and regulations of the Canton of Lucerne only.

Programme Information

Students are responsible for becoming familiar with and observing the policies and regulations presented in this handbook.

A separate **Academic Policies** document provides complete details on all academic procedures to be followed, and the Study Skills Guide offers invaluable information on assessment standards and expectations.

The BHMS eCampus provides electronic copies of all your studies and internship information.

3.1 Academic Calendar & Attendance

Your study programme consists of six months of study and six months of internship. Each year should be completed in the designated 12-month period.

You are expected to attend at least 85% of your scheduled classes. However, you may miss up to 30% of scheduled classes for 'unavoidable' circumstances such as illness, job interviews or other emergencies. If your attendance falls below 70% for any module, you will be deemed to have dropped that module, and a W grade will be awarded.

This means you will not gain these credits and thus endanger the completion of your programme of studies within the standard time frame. By law, all classroom attendance percentages are reported to the Migration Office. If an additional term, a longer school leave, or a school change is requested, an average classroom attendance of at least 85% is required; otherwise, an extension or school change may not be granted.

The academic calendar can be found on eCampus and the website www.bhms.ch under "Download documents".

3.2 Personal Schedules

Every effort is made to ensure that students have a reasonable timetable that allows a balance between class contact and independent study time. On isolated occasions, a class may have to be cancelled or rescheduled. Your term schedule is accessed through the My Schedule link in eCampus.

3.3 Academic Documentation

Interim transcripts are accessed through the Interim Transcript link in eCampus.

A **final transcript** is issued when all programme requirements are complete, and the various department Managers have completed the Diploma Issue process. The final transcript also shows the Professional Conduct in the Community (P.C.C.) mark.

Additional final transcripts (replacement or issuing to a new university) can be issued for CHF 100.00 each.

Students requiring an **academic reference** should contact the Academic Dean. For **letters of confirmation of studies**, contact the Admissions Office. All other letters (e.g., visa support) can be obtained from the front office.

The Canton of Lucerne offers a “Document Legalisation Service”. Some countries may require this for official business, but it should be noted that the Canton charges a CHF 60.00 per page fee for this service. BHMS requires pre-payment with a wire transfer if you request this from abroad, and a CHF 60.00 shipping charge will also be due.

3.4 Quality Assurance and Partner Universities

A variety of quality assurance methods govern the educational programmes at BHMS. The central systems include:

- Programme validation by well-reputed universities
- Programme accreditation and audits by Swiss and international organisations
- Use of external examiners who regularly check the standard and quality of student work
- External audits by the Lucerne Department of Education
- Student course evaluations

All course documentation is developed, reviewed, and controlled in conjunction with the relevant partner university/organisation. This ensures that transparent and fair practices are applied to all students studying at BHMS and that the quality of their education is delivered to high international standards.

Code of Conduct

Cultivating respect for everyone

At BHMS, we are dedicated to creating a community where everyone feels valued, respected, and supported.

Behaviours that compromise this, such as harassment or discrimination, are unacceptable. We believe in working together to ensure everyone can thrive.

The BHMS Community

As a member of the community, this means that we strive to:

- Respect differences in gender, race, religion, abilities, age, or other aspects of identity.
- Avoid any actions or comments of a sexual nature that could make others uncomfortable or interfere with their experience.
- Ensure our words and actions always promote positivity and understanding.

Building positive relationships

We encourage collaboration and mutual support. Hazing, bullying, or intimidation – in-person or online – have no place in our community. Instead, we focus on creating friendships and teamwork that uplift everyone.

Your rights: fairness and transparency

We are committed to treating every student fairly and ensuring your voice is heard. If there is a concern regarding your actions, you will be presumed innocent unless there is clear evidence to the contrary.

How we ensure fairness:

- You will be informed about any concerns raised, including the details and seriousness of the issue.
- You will have time to prepare your response and can present evidence or call witnesses if needed.
- You are welcome to have a faculty member, staff member, or peer accompany you for guidance during disciplinary meetings.
- Decisions will always be communicated to you in writing within three working days, and you have the right to appeal if needed.

4.1 Living in Our Community

Shared spaces, Shared respect

Living at BHMS means becoming part of a diverse, international student community—and part of the Swiss cultural environment. While your room is your personal space during your stay, it remains a guest room in a shared campus setting, not a private apartment. We ask all students to respect the physical space, your roommates, and the broader BHMS community.

Respect for Property and Neighbours

- Treat your accommodation as a shared guest space, not private property.
- Do not modify furniture, hang decorations on walls, or alter the room layout
- Damages will be charged to the occupants of the room. This includes repainting, replacing furnishings, and repairing structural issues.
- Maintain a clean, safe environment—rooms left in poor condition may incur cleaning fees starting at CHF 180 (minimum 3 hours at CHF 60/hour).

Community Etiquette and Noise

- BHMS follows Swiss cultural standards of quiet and respectful shared living.
- Quiet hours are enforced between 22:00 and 06:00 every day. This is a legal requirement according to Lucerne police guidelines and is commonly observed throughout Switzerland.
- During these hours: no music, parties, balcony gatherings, or loud conversation.
- Your roommate has the right to sleep, relax, and study without disruption—mutual respect is essential.

Alcohol and Visitors

- Students are permitted to consume small amounts of alcohol privately in their rooms, provided this does not lead to disturbances.
- Alcohol-fueled parties are not permitted.
- You may have fellow students over for a quiet meal or conversation, depending on your room category—but gatherings must be respectful, small-scale, and adhere to quiet hours requirements from 22:00.
- No external visitors are allowed in bedroom accommodation at any time. BHMS accommodation is reserved exclusively for registered students. This ensures safety, privacy, and respect for all residents. Hosting non-students in your room, even briefly, is not permitted and will result in disciplinary action.

Substance Use and Legal Expectations

- The possession or use of illegal drugs is strictly prohibited and will lead to immediate disciplinary review, which may include suspension.
- BHMS will cooperate fully with Swiss authorities in the event of serious violations.

Community Room Checks

- To maintain health, safety, and well-being standards, BHMS conducts Community Room Checks every two weeks.
- These checks focus on cleanliness, safety, and respect for property.
- Students will receive 24-hour advance notice of the visit, except in emergencies.
- Any issues identified during these visits will be addressed directly with occupants, and repeated violations may result in warnings or loss of housing privileges.

Consequences for Breaches

- Students who fail to respect these expectations will be asked to attend a meeting and commit to improved behavior.
- If no change occurs, students may be suspended from BHMS.

4.2 Encouraging accountability: Steps for addressing concerns

Step 1: A friendly reminder

If a minor concern arises, you will receive a written notice to help you reflect and adjust your behaviour. If no further issues occur, no additional steps are taken

Step 2: A structured support plan

A second written notice will be issued for repeated concerns or more serious issues, and you may be guided to reflect further. During this time:

- Participation in certain school activities may be limited to focus on resolving the issue.
- The goal is to provide clarity and direction to help you realign with community values

Step 3: Addressing major concerns

In severe or repeated misconduct cases, more significant actions such as temporary suspension or dismissal may be necessary. These steps are only taken after careful consideration and consultation to ensure fairness and clarity.

Examples of serious concerns include:

- Actions that harm others or damage trust within the community (e.g., theft, physical harm).
- Misuse of substances that compromise safety.
- Violations of local laws or school policies that could affect the community's reputation

Even in serious cases, depending on the circumstances, you still have the opportunity to return and complete your programme.

We believe in fostering an environment where everyone can grow, contribute, and succeed. This Code of Conduct serves as a guide to help us achieve that together. Should you have any questions or need support, please don't hesitate to contact any school team member or Ms Vanessa Stephens, our Student Advisor at City Campus.

Disciplinary Sanctions for Individual Misbehaviour

At BHMS, we maintain high standards of professionalism, respect, and responsibility. When these expectations are not met, disciplinary measures are in place to correct behavior and ensure a safe and positive learning environment.

Disciplinary actions follow a **progressive system**, meaning that repeated infractions may lead to more serious consequences. However, in cases of **serious offenses**, immediate escalation to **Level 4: Disciplinary Meeting and Gross Misconduct Review** may occur.

Level 1: Verbal Warning

A verbal warning is issued for minor infractions related to appearance, behavior, and community living standards. This warning will be:

- Given **directly to the student** by a faculty or staff member.
- **Followed up with an email** summarizing the issue and expected improvements.
- **Copied to the Head of Department** for internal tracking but will not be placed in the student's official file at this stage.

Examples of Level 1 Infractions

- **Professional appearance** – Failing to meet the BHMS dress code (e.g., unpolished shoes, missing uniform items, poor grooming).
- **Classroom behavior** – Using a mobile phone during lessons, failing to participate, or disturbing the class.
- **Respect for facilities** – Leaving personal belongings in communal areas, failing to clean up after oneself in dining or study areas.
- **Minor disruptions** – Speaking loudly in hallways, playing loud music in dormitories, or failing to respect quiet hours.

Repeated Level 1 infractions may result in a **Level 2 Written Warning**

Level 2: Written Warning

If a student commits **multiple Level 1 infractions** or a more serious violation of BHMS policies, a **written warning** will be issued.

- The warning will be signed by both the **Head of Department and the student**.
- A copy will be emailed to the **student, Head of Department, Resident Manager, and Dean**.
- A **review date** will be set, at which time the warning may be **extended or removed** from the student's file.

Examples of Level 2 Infractions

- **Repeated Level 1 offenses** – Consistently failing to follow professional dress code, arriving late, or ignoring classroom rules.
- **Disruptive or disrespectful behavior** – Speaking disrespectfully to faculty, arguing with staff, or refusing to follow instructions.
- **Failure to follow professional standards** – Displaying unprofessional behavior during guest lectures, internship preparation, or employer interactions.
- **Safety violations** – Failing to follow safety rules in kitchens, ignoring fire drill protocols, or leaving residence doors propped open.

If a student receives three Level 2 Written Warnings, they will be required to attend a **Level 3 Disciplinary Meeting**.

Level 3: Disciplinary Meeting and Final Warning

If a student accumulates **three Level 2 written warnings**, a **disciplinary meeting** will be scheduled to review their behaviour and determine further consequences.

- The **Resident Manager or Dean, along with at least one other staff member, will be present**.
- A **meeting summary will be sent** to the student and **agent/parent (where appropriate), Dean, Director**.
- The outcome will be **maintained in the student's file** for future reference.

Possible outcomes of a disciplinary meeting:

- A **final written warning**.
- **Temporary restrictions** on participation in student events or activities.
- **Loss of privileges**, such as access to common areas or external outings.

If the student commits another offense after a final warning, it may lead to immediate escalation to Level 4: Gross Misconduct.

Level 4: Gross Misconduct Disciplinary Meeting, Suspension, or Dismissal

Gross misconduct represents the most serious violations of BHMS community standards and will result in an immediate **Level 4 Disciplinary Meeting**, which may lead to **suspension or dismissal**.

Serious Offenses Leading Directly to a Level 4 Disciplinary Meeting

Certain actions require **immediate review** due to their severity and impact on the community. These include but are not limited to:

- **Threats or acts of violence** – Physical aggression, fighting, or making violent threats.
- **Sexual harassment, assault, or misconduct** – Any form of unwanted or inappropriate sexual behavior.
- **Severe discrimination or harassment** – Targeting individuals or groups based on race, gender, religion, nationality, or personal beliefs.
- **Possession, use, or distribution of illegal drugs** – Any involvement in illegal substances, including selling, using, or storing drugs.
- **Threats or acts of violence** – Physical aggression, fighting, or making violent threats.
- **Sexual harassment, assault, or misconduct** – Any form of unwanted or inappropriate sexual behavior.
- **Severe discrimination or harassment** – Targeting individuals or groups based on race, gender, religion, nationality, or personal beliefs.
- **Possession, use, or distribution of illegal drugs** – Any involvement in illegal substances, including selling, using, or storing drugs.
- **Severe alcohol misuse** – Excessive intoxication leading to disorderly conduct, aggression, or harm to others.
- **Hazing or forced participation** – Any activity that humiliates, degrades, or endangers another student, regardless of consent.
- **Possession of weapons** – Bringing or using firearms, knives, or any dangerous objects intended to harm others.
- **Major safety violations** – Ignoring fire alarms, setting off false alarms, tampering with security systems, or engaging in activities that endanger others.
- **Theft or fraud** – Stealing from students, staff, faculty, or the institution, or engaging in fraudulent activities.
- **Severe vandalism** – Deliberate damage to school property, including furniture, equipment, or dormitories.
- **Unauthorised work outside of school** – Engaging in paid employment while studying, which is a **serious violation of Swiss law**.
- **Severe academic misconduct** – Plagiarism, cheating, document forgery, or providing false information to the institution.
- **Behaviour that severely damages BHMS’s reputation** – Public misconduct, inappropriate social media activity, or disrespectful behavior toward industry partners.

Consequences of Level 4 Gross Misconduct

Depending on the severity of the misconduct, the student may:

- Be **suspended** from studies for **3, 6, or 12 months**, with the requirement to cover school fees for the lost term.
- Be **dismissed** from the school, in which case **no refund** of paid school fees will be provided.

In cases involving violations of **Swiss Federal Law**, BHMS reserves the right to take immediate action, including notifying the authorities.

Final thoughts

At BHMS, we believe that **discipline is about learning and growth**. Our goal is to guide students toward **professionalism, responsibility, and respect**—qualities that are essential for success in the hospitality industry.

By making good choices and treating others with consideration, students can contribute to a **positive, thriving** BHMS community.

3. Drinking alcohol on campus is only allowed in a responsible manner, abiding by the local laws and age restrictions. Excessive drinking and any resulting misbehavior or damage will have consequences. Parties are only permitted if officially requested in advance (reception) and must be in the student lounge at CC or LSC Bar.
